

Dear New Member:

Thank you for considering joining the Southern Shores Volunteer Fire Department.

As a volunteer fire fighter, you will be offered the opportunity to complete training as a full-fledged fire fighter and aid in the support and rescuing of both life and property.

There are various other benefits offered to volunteers:

- A great sense of community and serving to protect others
- Retirement (dependent upon length of service)
- Gym membership and Annual physicals
- Scholarships

In order to commence training, we kindly ask that you complete the registration process. This will include a background check, department paid physical, along with completed documentation from you, the volunteer.

Please feel free to attend our training sessions. We train every Tuesday at 7:00pm at the Station.

Enclosed you will find a comprehensive packet of materials:

- Volunteer Application
- Background Investigation Consent Form

After approval of the Background Check, you will be required to fill out some Insurance Forms and Schedule your Physical.

If you have any additional questions regarding the enclosed, or the program, please do not hesitate to reach out, as we would be glad to address any concerns.

Sincerely,

Edward Limbacher
Chief
